Re•Vive Series at Promontory Point

PRO #4011 • 1,591 sq. ft. • \$329,900

Ranch style • 2 bedrooms • 2 baths • 2-car tandem garage

Cozy up in this two-bedroom ranch, perfect for young families starting out or empty-nesters ready to retire. The welcoming entry leads to living and dining areas, which are adjacent to the spacious kitchen with center island. With the master suite tucked at the rear of the home, you'll have plenty of privacy to make it your own retreat. Add more square footage with finished basement options.

PRO #4012 • 1,759 sq. ft. • \$344,900

Ranch style • 2 – 3 bedrooms • 2 baths • 2-car garage

Options abound in this family-friendly ranch plan. The spacious living and dining areas off of the kitchen provide a welcoming gathering place for friends and family. The private master suite at the rear of the home has plenty of room for relaxing, and boasts a large walk-in closet. Tailor this plan to suit your needs by adding optional third bedroom or study, gourmet kitchen, bench in the owner's entry, or a gas fireplace. Add more square footage with finished basement options.

PRO #4013 • 2,128 sq. ft. • \$359,900

Two-story • 3 – 4 bedrooms • 2½ baths • 2-car tandem garage

If two-story living is your cup of tea, this plan—which features three bedrooms upstairs with a fourth bedroom or study on the main floor—may be just the ticket. You'll love the well-designed master suite with its spacious bath and huge walk-in closet. The Jack-and-Jill bath between bedrooms two and three provides convenience, as does the second-floor laundry area. An open stair railing creates an airy ambiance which enhances the spacious feel of this home. Add more square footage with finished basement options.

PRO #4014 • 2,246 sq. ft. • \$379,900

Two-story • 4 – 5 bedrooms • 2½ baths • 2-car tandem garage

Maximize your options with this impressive two-story home, which offers a main-floor study (or optional 5th bedroom), and a large, welcoming foyer which leads to the spacious kitchen and living/dining areas. You'll love the walk-in pantry, which is ideally located to accommodate your Costco bounty, as well as the large second-floor laundry room. Convert one of the upstairs bedrooms to an optional loft to create a family retreat. Add more square footage with finished basement options.
