

WALKOUT | RANCH | 3-BAY GARAGE

An interior lot large enough to accommodate a 3-bay garage, **Lot 14** is suited for a ranch-style, walk-out plan. With front-facing views facing North Table Mountain, this traditional walk-out lot elevates everyday living by opening the lower level directly to the back yard, inviting light, and creating a seamless indoor | outdoor connection. The result is a more livable lower level, expanded entertaining space, and a home that feels open, intentional, and grounded in its surroundings—exactly the kind of advantage *Renegade* homes are built to maximize.

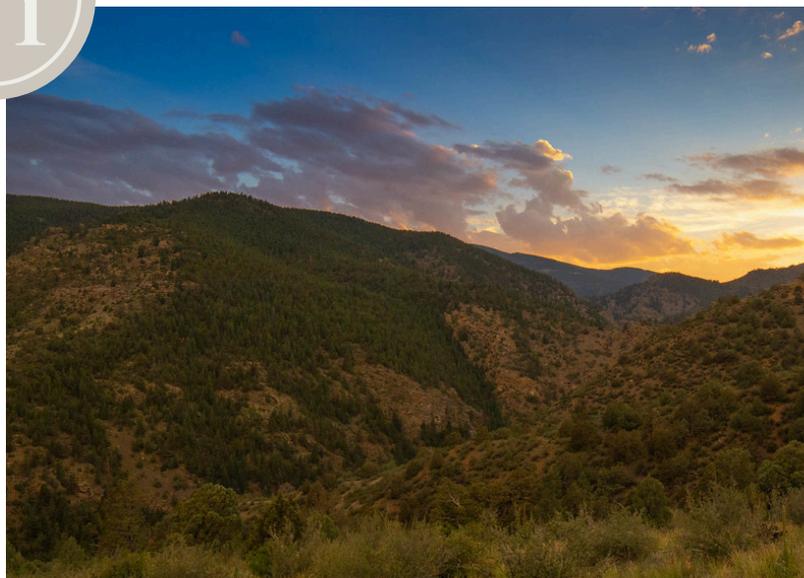

Each homesite at *Renegade* is oriented to capture sweeping views of North Table Mountain and Denver's Front Range. Plan types are intentionally designated for each site to ensure that views remain unobstructed for all of *Renegade's* residents, and individual plan designs may be customized.
