

Plan #2715-R

Starting from:

\$909,525

(plus lot cost)

Ranch • 2 - 7 bedrooms • 3 - 5 baths • 3 or 4-bay garage • 2,715 sq. ft.

With so many ways to customize the 2715-Ranch, you're sure to have a one-of-a-kind home filled with the features most important to your lifestyle. Whether it's an abundance of spacious bedrooms for a growing family, inviting private suites for multi-generational living, or the lavish living spaces that appeal to you most, you'll appreciate the sumptuous finishes and thoughtful details worked into this livable plan. \$335/sq. ft. comes with top-of-the-line finishes and your own interior designer to assist in the decision-making process.

- Gracious open foyer welcomes guests with 16' ceilings and pleasant sunlight from large front windows
- Upper-level loft / 2-bedroom suite with bath option
- Spacious master retreat with coffered ceiling, over-sized spa-like bath with free-standing tub, double shower, and built-in makeup counter
- Laundry access from master closet; oversized closets throughout
- Rear patio standard; extend living space outdoors with the covered deck and multi-panel sliding glass door options
- Add more space with optional basement finish

Two-story • 3 - 7 bedrooms • 4 - 6 baths • 3 or 4-bay garage • 3619 sq. ft.

There's no doubt you've arrived when you make the 3619-Two Story your new home. From the moment you walk in through the thoughtfully-designed owner's entry, with its huge sunlit pantry and large space for optional built-in cubbies, you'll want to start planning your first big get-together. The linear fireplace at the far end of the Great Room anchors the airy space with sophisticated ambiance. Escape to your private sanctuary in the 2nd floor master retreat, where banks of windows cast a cheerful glow. Two additional upstairs bedrooms with full en suite baths and walk-in closets, and a loft/optional 4th bedroom complete the plan.

- Optional spacious main-floor suite with private entrance, for multi-generational living
- Covered front porch entrance
- Vaulted ceiling in foyer entrance presents spacious entry
- Open handrail at stairs standard, with standard wood or optional metal balusters (horizontal or vertical)
- Optional fireplace in master bedroom enhances / establishes mood
- Plan starts at \$285/sq. ft.; work with our designer to make it your own
